 **Mahima Ministries**

We can't live even an hour without light but it's wonder to lead the whole life in the dark. We took Intermediate board exam on behalf of blind students (scribe). Having seen them, we came to know the difficulties they faced. Spending time with them was very precious inspiring. Everything they do teaches us a lesson. To experience such situations we visited **SAI BABA SCHOOL FOR BLIND** which is located in village Narsapur of Medak district. VNRSF donated **Rs.6500/-** to this school on this day.
