

TEAM VNR STUDENT FORCE

Annual Report

VNR Student Force is one of the social clubs of **VNRVJIET**, which actively participates in organizing social welfare activities in-situ and ex-situ. It came into existence in the year 2012 and in the calendar year 2015, team organised various eco-friendly cum human welfare activities.

Plant for the Planet:

Team distributed **450 saplings** which include Amla, Tamarind, Guava, Jamun etc., to the student and staff community of VNR with an idea of inculcating the sensitivity of worship towards the nature. Team planted **10 saplings** in the college premises and **130 saplings** in Vipassana International Meditation Center, Sangareddy which are being taken care by proper channels. Thus team substantiated the saying **“Actions speak louder than words”**.

Plants distributed to students and staff by
Mrs.V.Krishna Sree, Faculty Coordinator, VNRSF

Saplings being planted at college premises by
members of **Team VNR Student Force**

Saaradhi:

VNRSF, a team with ebullient and diligent socio-engineers in cognizance of pertaining contemporary societal problems and dogged determination & dedication, came up with thought provoking and response evoking activities which have been a grand success during **Convergence 2k15**.

Active participation of VNRIans in Social Assembly,
a platform to voice one's social concerns

IDEAL:

With an idea of helping the poor children for their education, Team VNRSF, launched an event called **“IDEAL - I Donate for Education And Learning”**. As a part of it, used records from all the labs in the college were collected and recycled into new books. A total of **2992 books** were produced from **5.6 tonnes** of waste paper which is equal to saving **80 huge trees**. Team distributed the books at **4 schools** where there is an urgent requirement.

Recycled books being donated to school students at **Saraswathi Shishu Mandir, KPHB**

Books being distributed among school students of **rural area near Bhadrachalam**

Awareness Drive:

Team VNRSF with the support of management, took the initiative and came forward to bring out the awareness about the symptoms and effects of contagious viral disease **Swine Flu** that was rampant across the city and also to distribute the vaccine for the disease to around **6000 people** in rural areas, colleges and old age homes.

Spreading Awareness on **symptoms of SWINE FLU** and **precautions** to taken to get rid of it

Distribution of **vaccine** being to **rural house holds** and **students** of around **6000** in number

Funds for Mythri:

'Mythri-home for poor, orphan and needy', located at KPHB is a residential institution devoted to the care of **61 children** belonging to various age groups which went short of funds. **TEAM VNRSF** got to know about the pitiable condition and deliberated upon the possibilities of mitigating it. A total of **Rs.25,300/-** donated by students was utilised to provide basic amenities, groceries, books and medical facilities.
