

Report: Prajwala stall

“The strongest actions for a women is to love herself, be herself and shine amongst those who never believed she could.”

Woman is also human being belonging to the same species ‘Homo Sapiens’. But the present society is very less bothered over the **welfare of women** and are being suffered physically and mentally.

“You can break down a woman temporarily but a real woman will always pick up the pieces, rebuild herself and come back stronger than ever.”

Prajwala is a non-governmental organization that rescues, rehabilitates and reintegrates sex-trafficked victims into society. On the occasion of **Convergence-2k13**, Team VNRSF organised a stall promoting the concept of women empowerment in support of Prajwala organisation.

The visitors of the stall were taken into deep self-introspection over the respect shown by them towards women. Funds were also raised for the **empowerment** of the effected women. The hand crafts made by the residents (victims) of Prajwala home are kept in the stall for sale.

All the men visited were distributed **MARDH** (Men Against Rape, Discrimination and Harassing) badges.
