

# Report: SALUTE - 2k16

India embarked **REPUBLIC DAY celebrations** with embracement on the occasion of replacing Government of India Act (1935) with constitution of India as the governing document of India.

**VNR Student Force**, a vibrant social club of VNRVJIET with industrious socio-engineers organizing social-welfare activities, thought provoking events to resolve the contemporary societal issues is determined to escalate patriotism in the people of our country. So, it took part in the parade on 26<sup>th</sup> Jan 2016, SALUTE by joining hands with all the clubs and student chapters of VNRVJIET, where each Team exhibited one's social concern.

## EVENT DETAILS:

After few brain storming sessions, considering the scenario of the present education system and also recollecting the responsibilities of being Engineers towards the society, the team has come up with the theme “**ENGINEERS FOR INDIA**” spreading the significance of true education, fostering innovation and also creating awareness on the most common issues in the society.

## TRUE EDUCATION:

“We want that education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet”

**-SWAMI VIVEKANANDA**

**VNRSF** from its inception had strong conviction that nation building is possible only with man making education. The essence of **TRUE EDUCATION** was portrayed by the posters in the parade. As a part of it, **DR.A.P.J.ABDUL KALAM** was demonstrated as an inspirational person and as an embodiment of true education.

## REAL ENGINEERS:

“Creative thoughts lead to the creative world”.

With a vision to bring the hidden innovative works into the limelight, team has displayed the innovations of the rural areas through the models.

- **VAJRA**- a mechanical device that distributes the strain
- **MITTI COOL** - a Refrigerator that requires no power
- **Root Sensor** - an electronic device that senses the water content at roots

These are the cynosures among the models.

Finally the team has displayed the problems like energy crisis, cyber crimes etc; and led the young engineers of VNR VJIET to think and also to draw the solutions innovatively. The fruits of immense pleasure and satisfaction reflected the efforts put in the event. Salute has also evoked the patriotism and also reminded the team of its responsibilities and duties.
