

REPORT: SALUTE

Republic Day honors the date on which the **Constitution of India** came into force on 26 January 1950 replacing the **Government of India Act (1935)** as the governing document of India.

On the occasion of this national celebration, we, **TEAM VNRSF** and **NSS** joined hands together to organize an event **SALUTE** on 24th Jan 2015 along with all the other clubs and student chapters of **VNRVJET**.

EVENT DETAILS

We came up with the theme of '**KNOW YOUR RIGHTS & FOLLOW YOUR DUTIES**' to impart civic knowledge and sensitize the students about the importance of rights and duties in their lives as the citizens of India.

Beautiful posters depicting the rights and duties in a pictorial way, were designed. The posters contained preamble of our constitution, fundamental rights and fundamental duties.

SALUTE- 2015

KNOW YOUR RIGHTS & FOLLOW YOUR DUTIES

As a part of the republic day rally, we walked in unison holding the pluck cards that we have made. This event gave us an opportunity to explore and get to know about the elements of our constitution, which usually, is considered as unimportant and overlooked in today's techno savy society.
