

Report: Mythri

We make a living by what we get, but we make a life by what we give.

-Winston Churchill

'Mythri-home for poor, orphan and needy', located at KPHB is a residential institution devoted to the care of **61 children** belonging to various age groups. Recently, the orphanage went short of funds and could not support the children for their basic needs. We, **TEAM VNRSF** got to know about the pitiable condition and we deliberated upon the possibilities of mitigating it. Also we visited the home to seek more information about their requirements.

It has been decided to help the children by collecting funds from our college. So, we announced about the situation of children at Mythri home to students and requested for their donation. An amount of **Rs.25,300** was donated from all the classes. According to the requirement at the orphanage, we bought several grocery items such as pulses, soaps etc. worth Rs.15,133/- in the quantities shown below:

Besides the provision of such basic goods, we also came to know that all the children there are suffering with dreadful **Scabies**. With immediate response to it, we made a Dermatologist's assistance available. The course medicines those are required for Scabies treatment such as syrups, creams, soaps are provided for all the 61 students which costs Rs.10,167/-.

A **meager betterment** has been observed in their health condition with constant supervision of us over their hygienic conditions. All the children are so punctual and disciplined who rarely miss their classes. To such studious children, as a part of **IDEAL-3**, **761note books** are provided.
